PLATEN MOUNTED ELECTRODE HOLDERS

The CMW Platen Mounted Holder, as shown below, has the inlet water nipple at position #1 and the outlet water nipple at position #2, any other combinations may be special ordered by changing the last two digits of the part number. The first of the last two digits indicates the location of the inlet nipple and the second digit indicates the location of the outlet nipple. Example; part No. 18-0510-56 would place the inlet water nipple at position #5 and the outlet water nipple at position #6.
